

**Talk Smart. Connect Smarter!**

**SKL101**

**Corded Phone with CID**

### Product Description

The TF-101 is a compact, reliable corded landline phone designed for both home and office use. Engineered by Sparz Telecom, this model comes equipped with Caller ID (CID) functionality, ensuring you always know who's calling before you answer. With its intuitive design, easy-to-read display, and clear audio quality, the TF-101 is the perfect solution for everyday calling needs.

Built with user convenience in mind, the TF-101 features an ergonomic keypad, call history memory, redial function, and other essential calling features. Its corded connection ensures consistent performance without battery worries – making it ideal for reception areas, staff cabins, and residential users alike.
