

Talk Smart. Connect Smarter!

### SKL1382

Corded Business Office Phone with CID

#### Product Description

Upgrade your workplace communication with the SKL1382, a dependable and feature-rich corded business office phone from Sparz Telecom. Specially designed for fast-paced office environments, this model combines professional-grade functionality with user-friendly design.

Equipped with Caller ID (CID) support, the SKL1382 allows you to instantly identify incoming callers, helping streamline communication and enhance workplace efficiency. The corded design ensures stable and interference-free audio quality ideal for reception areas, administrative desks, and customer support counters where reliability is key.

Whether you're handling high call volumes or simply need a no-fuss solution for daily office communication, the SKL1382 delivers consistent performance with features tailored for business use. Its ergonomic keypad, clear display screen, and straightforward operation make it suitable for all users, from entry-level staff to senior professionals.
